The Pledge of Allegiance was said.

Roll call was taken with Supervisor Isaacson, Clerk Christensen, Treasurer Rogers and Trustee Pangrazzi in attendance. Absent was Trustee Stolberg. Water Supervisor, Wyatt Johnson, was also present along with twelve residents.

The minutes were read by Clerk Christensen from the June 10, 2026, meeting and approved as read with the correction to the title Fast Track Grant Program.

Clerk Christensen read the bills for the month. Treasurer Rogers made a motion to approve the bills with a second from Trustee Pangrazzi. Motion carried.

Treasurer Rogers read the Treasurer's report which was accepted as presented.

Brian Lounsbury reported that he had been in contact with the DNR and the USFS regarding his concern for possible damage in the lake from wake enhanced boats. Both the DNR and USFS stated that any ordinance would have to be made at a local level.

Zach Hautala with ICECA reported that the Shop Local, Win Big campaign began on June 29th and will continue through July 27th. Spend \$25 or more at Chamber member businesses for a chance to win. With the upcoming Rodeo, Bass Fest and Fireman's Tourney, an influx of visitors is expected in Iron County.

Resident, Mr. Coates inquired whether the blight situation on Division Street had been addressed. Cory Walsh, Zoning Administrator, stated that he had talked with the individual and issued a warning regarding clean up of the area. He will check again in two weeks to determine if the condition has improved.

Supervisor Johnson reported that the water tower project was completed by St. Germain Sandblasting. Fiber optic work continues in the township. Two new tap-ins were done: one on Cataldo Drive and one on Osterlund Road. Some customers are also updating their service lines.

The township clean up day was successful with many residents taking advantage of it.

Jill Walsh, STR Coordinator, reported that 8 licenses have been issued so far. Progress is slow in issuing them because of lack of cooperation from property owners. Discussion took place regarding establishing a timeline before property owners are required to apply for a license. Sentiment was that because this is a new ordinance, more time should be allowed to enforce the licensing.

Supervisor Isaacson read the zoning permits.

Our next regular meeting will be held on August 12, 2026.

Treasurer Rogers made a motion to adjourn the meeting with a second from Trustee Pangrazzi. Meeting adjourned at 8:07 p.m.

Respectfully submitted by Clerk Christensen
